The image shows a software interface for database management. On the left, there is a dark blue sidebar with white text listing features: 'DB Reader - Database Management', 'Lightweight Class Library', 'Return data in 2 lines', 'Return Array & HTML', 'Export (PDF, Excel, CSV)', 'Print', 'Ajax Search', 'Show Databases', 'Show Tables', 'Show TableData', 'Reset TableData', 'Pagination', 'Image Support', and 'Responsive'. On the right, a browser window displays a table titled 'Users'. The table has columns for 'id', 'first_name', 'last_name', 'email', 'birthdate', and 'ip_address'. Below the table, there are icons for user management, a calendar, a mobile phone, a printer, and a PDF document.
